

PRESS RELEASE - FOR IMMEDIATE PUBLICATION

Industrial Records are pleased to announce the highly anticipated new studio album from

CARTER TUTTI VOID

f(X)

Due for worldwide release on the 11th September *f*(X) will be available on Vinyl, CD and Download.

Featuring all new studio recordings

Chris Carter, Cosey Fanni Tutti (Chris & Cosey / Throbbing Gristle) and Nik Colk Void (Factory Floor) expand and explore onward from their critically acclaimed 2012 debut collaborative album 'Transverse'.

Featuring their distinctive metallic guitar sound, resounding bass lines, electro industrial rhythms and heavily processed vocals this album is not for the fainthearted.

The Compact Disc and Digital editions feature six tracks.

The Limited Edition white vinyl LP has five tracks and includes a digital download code.

f(X) will be released worldwide by the legendary Industrial Records label (home of Throbbing Gristle since 1976) on **11th September**.

Pre-ordering is available from today via these links:

CD & VINYL or **DIGITAL**

For the USA please contact: **www.forcedexposure.com**

A free album track and promo video will be available for streaming and embedding one week prior to the **11th September** release date.

For now here is a short 'teaser' video **www.youtube.com**

New Carter Tutti Void promotional photos and album pack shots are available on the Industrial Records web site: **industrial-records.com/press**

Reviewer listening streams are available to bone-fide music sites and journalists by emailing **info@industrial-records.com**

CD and Vinyl copies are not available for review.
