CHRIS & COSEY + NISENNENMONDAI

LONDON LIVE SHOW, HEAVEN
15th FEBRUARY 2015

NEW ALBUM RELEASE - 28th JANUARY 2015

Chris Carter and Cosey Fanni Tutti have announced a very special Valentines live date at Heaven in London on Sunday the 15th of February 2015 and details of a new album on the 28th of January 2105.

The show will be the last performance of the 'Carter Tutti plays Chris & Cosey' set for the foreseeable future as the founding members of Throbbing Gristle plan to focus on working in their studio for next couple of years.

Support comes from Japanese trio **Nisennenmondai** who recently played two sold out headline shows at Corsica Studios and Birthdays which coincided with the September release of their 'N' album on the **blastfirstpetite** label. The Quietus DJ's will also be there on the night.

The performance will showcase the new '**CARTER TUTTI PLAY CHRIS & COSEY**' album which is set for release on CD, double Vinyl and digitally on the 28th January 2015. Each format version features an exclusive remixed track and the album mirrors the songs in their current critically acclaimed live performance set. That is, these are new reinterpretations and re-workings of classic Chris & Cosey songs from the 1980s and 1990s.

The duo will then go back into the studio to begin recording a brand new **CARTER TUTTI** studio album to be released in the latter part of 2015.
