**CABAL is the debut album from Chris Carter and Cosey Fanni Tutti in their new guise as CARTER TUTTI.**

With these songs already getting radio play in UK/Europe and going down a storm in their recent London and European live performances the new material on CABAL showcases the exhilarating breadth and scope of the combined musical talents of electro/industrial pioneers Chris Carter and Cosey Fanni Tutti and features 11 brand new original compositions.

CABAL combines Chris Carter's instrumentation and Cosey Fanni Tutti's unique vocal, guitar and cornet techniques with music styles encompassing dense electronic soundscapes, dub influenced rhythms, extreme vocal manipulations, trancey electro patterns and finished with outstanding production values. CABAL is a must have album for all discerning fans of electronica.
