'ELECTRONIC AMBIENT REMIXES FOUR' is the fourth in the EAR series and the third solo ambient album by Cosey Fanni Tutti and is subtitled 'SELFLESSNESS'.

Originally broadcast live by Resonance FM (London), EAR 4 forms part of Cosey's 'Selflessness' covert art action, which took place in Disneyland in 2002.

The music of EAR 4 aims to evoke the sensations experienced during the 'Selflessness' performance. EAR 4 contains more than 78 minutes of an extraordinary range of ambient music, textures and emotions. The cover includes sleeve notes and photos of the Disneyland 'action'.
