**CTI are proud to announce the release of
THE ESSENTIAL CHRIS & COSEY COLLECTION.**

This budget priced double CD compilation album features 31 classic Chris & Cosey tracks, a playing time of 140 minutes and a fold out digipak sleeve with extensive notes and discography.

The Essential Chris & Cosey Collection was compiled with the help of Chris & Cosey fans world wide and includes deleted and hard to find gems such as the 12" singles Obsession and Synaesthesia plus favourites such as Dancing On Your Grave, Dr. John, Love Cuts and Driving Blind.

The Essential Chris & Cosey Collection includes tracks from all their albums and covers almost 20 years of Chris & Cosey recordings, from Rough Trade and Play It Again Sam to Nettwerk and Wax Trax.

This album is the ideal primer for anyone who isn't already familiar with Chris & Cosey's extensive body of work or for those who just want to reacquaint themselves with their unique and often groundbreaking slant on electronica.

Enjoy...
