**We are pleased to announce the re-release of  
Chris & Cosey's 'Musik Fantastique!' album.**

Originally released in 1992 this much sought after but long deleted album has been digitally remastered and now includes a bonus track: 'Rise' (12" Mix) and new cover artwork.

'Musik Fantastique!' features over 58 minutes of classic Chris & Cosey songs from 1992, probably their most dynamic and melodic period during their illustrious career.
