CHRIS & COSEY REMASTERED LIMITED EDITION VINYL REISSUES

CTI are proud and excited to announce the imminent re-release of four classic Chris & Cosey albums from the 1980s: 'HEARTBEAT', 'TRANCE', 'SONGS of LOVE & LUST' and 'EXOTIKA'

These albums, which have been unavailable on vinyl for 20 years, have been painstakingly remastered by Chris Carter from the original master tapes specifically for these vinyl re-releases and showcase what many consider to be some of Chris & Cosey's finest works from their eighties period. These limited-edition re-releases are an ideal primer for anyone who isn't already familiar with Chris & Cosey's extensive body of work or for those who just want to reacquaint themselves with their unique and often groundbreaking slant on electronica.

Each of the four limited-edition albums is available on different coloured vinyl and presented in a specially 'remastered' sleeve which also includes a 12" double-sided insert of archive photos, press clippings and interviews.

HEARTBEAT 'Heartbeat' is the first in the series of four limited-edition vinyl re-releases from the esteemed Chris & Cosey catalogue. Originally released to much acclaim in 1981 by Rough Trade 'Heartbeat' was the first in a long line of groundbreaking albums by Chris Carter & Cosey Fanni Tutti. This early example of C&C features cut-up sampled voices, Cosey's disto-guitar, industrial sequences, melodious synths and cinematic sweeps.

Archival press quote:

"There are moments of great beauty like 'Moorby' and, equally, many moments of sheer depravity all performed with Kraftwerk's cultured class and the hypnotic charm and deadly grace of a synthesised cobra."

Steve Sutherland Melody Maker 1982

Archival press quote:

"All the world loves a love story..."

but 'Heartbeat' still has an edge of evil among the extensions of the pair's established scenarios." *Sandy Robertson - Sounds 1981*
