

CTI PRESS RELEASE

September 2010 - for immediate publication

PRELIMINARY INFORMATION

CHRIS & COSEY REMASTERED LIMITED EDITION VINYL REISSUES

CTI are proud and excited to announce the imminent re-release of four classic Chris & Cosey albums from the 1980s: 'HEARTBEAT', 'TRANCE', 'SONGS OF LOVE & LUST' and 'EXOTIKA'

These albums, which have been unavailable on vinyl for 20 years, have been painstakingly remastered by Chris Carter from the original master tapes specifically for these vinyl re-releases and showcase what many consider to be some of Chris & Cosey's finest works from their eighties period.

These limited-edition re-releases are an ideal primer for anyone who isn't already familiar with Chris & Cosey's extensive body of work or for those who just want to reacquaint themselves with their unique and often groundbreaking slant on electronica.

Each of the four limited-edition albums is available on different coloured vinyl and presented in a specially 'remastered' sleeve which also includes a 12" double-sided insert of archive photos, press clippings and interviews.

The first two albums in this series will be 'HEARTBEAT' and 'TRANCE' and will be released on the **1st November** by CTI via CARGO UK and will also be available by mail order.

The second two albums: 'SONGS OF LOVE & LUST' and 'EXOTIKA' will be released during December - details to tbc.

Label: CTI
